Visiting Questionnaire

Welcome to Verulam House Nursing Home. As you know, we have been closed due to all but essential visitors since mid-March. Thank you for your support in not visiting during this period which has clearly helped to protect the home, our residents, staff and you. We know it has been very difficult and frustrating for everyone but your co-operation has been very much appreciated.

Visits will take place in a designated area within our Stable Block Annexe towards the back of the building - on particularly warm days an allocated space in the Garden will be prepared made available.

This reduces the risk of someone who is asymptomatic inadvertently bringing the virus in to the Home. This is a critical Safety measure to protect your loved one, other residents and our staff.

You are being asked to read the information below and agree to the necessary actions that are being asked of you. Please answer each question truthfully and sign the document at the bottom.
