*Dear Friends and Family,*

*The management team would like to update you on the current situation at Verulam House.*

*We have received all last week's test results and we are happy to announce all Staff and Residents results are negative.*

*We currently have 1 Resident and 1 staff member isolating, both with no symptoms.*

*This isolation finishes on Wednesday 3.2.21.*

*We continue the daily testing of staff which will be ongoing.*

*Self-distancing is being practiced throughout the home, with both Staff and Residents with Strict Infection Control measures in place in all areas.*

*We thank everyone for their cooperation and support during this very worrying time and hope that we will get back to some normality as soon as possible.*

*We remain in Tier 4 which means that the Visiting Guidelines remain the same With Window visits and facetimes continuing*

*Once again, we will update you regarding the details of the 2<sup>nd</sup> vaccination rollout.*

*Please stay safe and well.*

*Kind Regards*
